Make sure you select a space that will provide enough room to accommodate your entire vendor setup (vehicles, hitches, tents, tables, etc.). **If your setup does not fit within the standard space, then you must request and pay for a large space.** Refer to the attached site selection guide.

If upon arrival it is determined that your space requirements do not match what you have indicated and paid for on your application, you will NOT be permitted to setup for the festival. **NO REFUNDS OR EXCEPTIONS.**

We cannot and will not make space arrangements once sites have been plotted and configured to match the information on your submitted application. Ensure that your application accurately reflects your space requirements BEFORE submitting.

LOGISTICS: Vendors **WILL NOT** have access to electrical power or water hookups on site. Vendors must supply their own generators and water for the duration of the festival. We are unable to provide vendors with tables, chairs or tents.

PAYMENT: To avoid any exchange of monies between the Greater Georgetown Chamber of Commerce (GGCOC) and vendors during setup or during the festival, **all payments must be received at the GGCOC office prior to the setup for the event.** Payments must be received **IN FULL** no later than the deadline indicated on the application. Failure to pay in full will result in forfeiture of your reservation and any partial funds paid to GGCOC. There are **NO REFUNDS** and **NO EXCEPTIONS** to this requirement. Reservations made after the deadline indicated on the application will be charged a \$50.00 surcharge.

SETUP & HOURS OF OPERATION: Vendors may set up the evening before (Friday) the event between the hours of **3:00 pm and 5:00 pm.** Vendors wishing to setup on Friday **MUST** notify GGCOC prior to arrival at the airport. THERE WILL BE NO EARLY BREAKDOWNS. NO EXCEPTIONS.
